

### IMPORTANT NOTE FOR MHS HIP MEMBERS:

The CentAccount card is an incentive program that helps pay for incidental healthcare costs and is separate from your POWER Account card.

Your POWER Account card is your member identification and is used to pay for healthcare visits at the time of service. HIP Members will receive their CentAccount card six months after enrollment with all received rewards pre-loaded on the card.

---

To find more information about the CentAccount card rewards program, visit our website [mhsindiana.com](http://mhsindiana.com) or call our CentAccount information line at 1-866-895-5164.

MHS gives you  
more ways to  
pay for your  
healthcare  
with our  
CentAccount  
program!

## CentAccount®

## What is the CentAccount Program

This special program lets you earn rewards on a MasterCard® incentive card each time you visit your doctor for yearly check-ups, well-child visits and certain screenings. You can use the card to buy health-related items and services. Every MHS Member is eligible for a CentAccount card.

## How to Start Earning Rewards

You can start earning rewards as soon as you become a Managed Health Services (MHS) member. As you start making healthy choices (see chart below), a prepaid CentAccount card will be sent to you. As you make more healthy choices, more rewards will be added on the card.

Earning rewards is easy! MHS will add more rewards when you make the healthy choices listed below:

This chart explains the amount that will be put into your account for each healthy choice/behavior you complete. This chart also shows how the behavior may affect your health.			
Behavior	Desired Outcome	Reward Amount Loaded on CentAccount Card	
		HHW MEMBERS	HIP MEMBERS
Visit PMP in first 90 days of becoming a member	Creates a relationship with you and your PMP	\$10 (once)	\$10 (once)
Complete Health Needs Screening in first 90 days of becoming a member	Ensures the early identification of any special needs for you and your family.	\$10 (once)	\$10 (once)
Well-child visits with PMP for children 0-15 months old (up to 6 visits)	Promotes well-child visits. This ensures your child gets the right screenings.	\$10 per visit (up to \$60 total)	not available
Annual well-child visits with PMP for children 16 months to 20 years old	Promotes well-child visits. This ensures your child gets the right screenings.	\$20	not available
Annual check-up with PMP for all adults 20 years and older	Allows the doctor to check your health and provide information that may help improve your health	\$20	\$20
Complete the following annual health screenings: (limit one reward per screening, per year) • Breast cancer (mammography screening) • Cervical cancer (Pap test) • Diabetes (LDL-C test) • Chlamydia (Chlamydia test)	Screenings help early identification of health problems	\$20 for each test	\$20 for each test (excludes Chlamydia tests)
Prenatal care visits with obstetrician as part of SmartStart for your Baby	Promotes health of mother and unborn child	\$15 per trimester	not available
Postpartum care visit with obstetrician	Ensures healthy recovery after child birth	\$15	not available
Additional benefits may be available to you based on enrollment in case management programs for certain health conditions. For more information contact your case manager.			

### ENDING YOUR MEMBERSHIP

You must be a MHS member to earn rewards on this new program. If you leave the MHS network, your card will expire in 90 days. Or, if you do not use or earn more rewards for 12 months, your CentAccount card will close. Closed cards lose any remaining balance. All rewards expire one year (365 days) from the date the reward is added to your card.
